Anne Jensen Skincare

The Art of Skin: More Than a Miracle Ingredient

True skincare is not defined by a single miracle ingredient — but by the **mastery of many**. At *Anne Jensen*, we understand that every individual, like their skin, is completely unique. No single note can create a symphony — it takes a curated composition of potent, high-performance ingredients to achieve truly exceptional results.

Our formulations are designed under **rigorous European standards**, ensuring that every ingredient is of the highest purity, safety, and efficacy. We draw from the abundance of nature — a pharmacopeia of botanicals known to work in harmony with the skin, our body's largest and most expressive organ.

From dry to oily, normal to sensitive, and combination skin — including the evolving needs of maturing skin over 40 and 55+, Anne Jensen delivers intelligent skincare solutions that adapt and respond to your client's individual needs. We address not just skin types, but the complexities of modern living: environmental stressors, diet, and ingredient overload that compromise skin health.

Anne Jensen was created to meet the highest expectations in **clean, luxury skincare** — empowering professionals to offer clients the very best. When your brand stands for excellence, your products must speak the same language.

Give your clients more than results — give them confidence, integrity, and the unmistakable glow of European-grade luxury.

Elevated Beauty. European Standards.

At the heart of true luxury lies uncompromising quality — and in the world of beauty, European standards set the global benchmark. The European Union has banned or restricted over **1,300 harmful ingredients** from cosmetics, taking a **proactive, science-led approach** to safety, purity, and transparency.

By contrast, U.S. regulations take a reactive stance — allowing products to enter the market with minimal oversight, only investigating after harm has been reported.

Our products are crafted to meet the **highest European safety standards**, ensuring that what touches your skin is not only effective, but meticulously clean and consciously curated.

Luxury is peace of mind. Choose beauty held to a higher standard.

At Anne Jensen Beauty, every ingredient is chosen with intention — for its potency, purity, and proven performance. We believe in formulas that work in harmony with the skin, blending science and nature to deliver visible, lasting results.

Here's what makes our skincare truly exceptional

Oligoeleine

A powerful skin protector, Oligoéleïne strengthens the epidermis and forms a delicate, breathable barrier that locks in hydration while helping to repair visible damage. Skin feels more resilient, smoother, and visibly renewed.

Marine Collagen

Sourced from the sea, this skin-firming ingredient helps support the skin's natural structure, improving elasticity and reducing the appearance of fine lines. Ideal for restoring a youthful bounce and suppleness.

Fucogel

A next-generation hydrating agent, Fucogel boosts cell renewal and enhances firmness. Its unique film-forming properties create a protective veil that retains moisture and leaves the skin silky-smooth.

Caviar Extract

A rich infusion of retinol, amino acids, linoleic acid, and vitamins A, B, D, and E. Caviar is revered for its luxurious anti-aging properties that revitalize and nourish the skin, promoting radiance and elasticity

Chilean Wild Rose

Exceptionally nutrient-rich, this botanical deeply nourishes and regenerates the skin. It's renowned for targeting age spots and pigmentation, restoring an even, luminous complexion.

Gatuline (Beech Bud Extract)

Known as the *Elixir of Youth*, Gatuline is ideal for sensitive and mature skin. It stimulates oxygenation and smooths the skin's surface, revealing a visibly refreshed and rested appearance.

Argireline

Nicknamed *Botox in a Bottle*, this advanced peptide complex reduces the appearance of expression lines by gently minimizing muscle contraction—no needles, no downtime. A noninvasive approach to smoothing fine lines and restoring youthful vitality.

Each ingredient in Anne Jensen Diamond Skincare is a testament to our belief: luxury is not just how it feels — it's what it's made of.

A Legacy of French Excellence. A Vision for the Future.

For nearly a century, France has been the world's epicenter of skincare innovation — a country where science meets sophistication, and nature meets refinement. With a commitment to timeless quality and future-forward thinking, **Anne Jensen** chose France to bring her vision of skincare mastery to life.

Each formula within the **Anne Jensen Diamond Skincare** collection is crafted using ingredients sustainably grown and meticulously sourced, then refined by the hands of French skincare artisans. These ingredients honor generations of traditional cultivation, where the land is respected and the nutrients preserved, resulting in uncompromised purity and potency.

Up to 100% Natural Origin

The Diamond Skincare range is composed of **84% to 100% natural ingredients**, including **COSMOS Organic** and **Ecocert Greenlife**—certified botanicals. At the heart of our formulations lies a powerful synergy of **aqua-marine botanicals**, known to soothe, calm, and balance the skin, and **highperformance plant extracts** that visibly enhance skin's vitality.

Sustainable Beauty, Inside and Out

True sustainability in skincare extends beyond the formula. Our packaging is chosen with purpose — elegant **glass vessels** that preserve the integrity of natural ingredients and are easily recyclable. Unlike plastics, which can destabilize pure formulations over time, **glass ensures lasting freshness and efficacy**. All packaging is recyclable, and we encourage consumers to follow local guidelines for responsible disposal.

Anne Jensen Diamond Skincare is where clean beauty meets haute formulation — a luxurious, earth-conscious line for those who demand the best in performance, ethics, and elegance.

Crafted in France. Designed for the future.

COSMOS stands for **Cosmetic Organic and Natural Standard**, an international certification created in **2010** and managed by a non-profit based in Belgium. It was founded by five European organizations, including **Ecocert Greenlife (France)**. **Ecocert Greenlife** is a certification body, based in France but accredited internationally, that **audits and verifies compliance with COSMOS standards**. It conducts both document reviews and onsite inspections across the full lifecycle of a product—from sourcing of raw materials to final packaging and labelling

Diamond Velvet Satin Organic Line

Pure by Nature. Perfect for Sensitive Skin.

Discover our **100% natural skincare range**, meticulously crafted in accordance with the **COSMOS Organic and Ecocert Greenlife manufacturing standards** — the global gold standard in clean beauty.

This ultra-gentle collection delivers **soothing, nourishing care**, specifically formulated for **sensitive and reactive skin**. Each product is designed to **restore comfort, balance, and softness**, enhancing the skin's natural ability to renew and protect itself.

At the heart of this range lies a **delicate blend of nature's most calming and restorative botanicals**, including:

Key Ingredients & Benefits

Sunflower Oil – Rich in essential fatty acids to deeply nourish and maintain skin's barrier.

Roman Chamomile – A powerful anti-inflammatory known to calm irritation and redness.

Silk Tree Extract – Revitalizes tired skin and supports a radiant, rested complexion.

Cornflower Floral Water – Softens and soothes, ideal for delicate skin and eye areas.

Organic Acacia Honey – A natural humectant that locks in moisture while offering antibacterial benefits.

Chilean Muscat Rose – Known for its regenerative properties, this rare oil helps improve skin tone and elasticity.

Silky, lightweight, and impeccably clean, this range offers a luxurious, sensory experience that nurtures even the most delicate skin — naturally.

Anne Jensen : Where purity meets performance.

Diamond Moonlight Face Oil

Nourish. Soothe. Protect.

This luxurious blend of **100% natural botanical oils** melts effortlessly into the skin, delivering nourishment and protection from daily environmental stressors. By morning, the complexion is left feeling soft, supple, and beautifully restored.

Key Ingredient & Benefits

Organic Sweet Almond Oil

Extracted from the fruit of the almond tree, this velvety oil is rich in vitamins A & E and essential fatty acids. It envelops the skin with moisture, leaving it comforted and smooth.

Organic Jojoba Oil

Harvested from *Simmondsia chinensis*, this lightweight oil penetrates instantly without greasiness. Renowned for its **balancing and softening properties**, it helps maintain skin harmony

Organic Rosehip Oil

Cold-pressed from the seeds of Chilean musky rose, this oil is exceptionally high in essential fatty acids. Quickly absorbed, it helps restore tone, elasticity, and radiance, leaving the skin renewed and silky

The Result

A natural oil cocktail that merges with the skin to **nourish, soothe, and protect**. Each night, it works in harmony with your skin's natural repair cycle, so you awaken to a complexion that feels hydrated, supple, and luminous.

DIAMOND
AQUA MARINE
SERUM

ANNE JENSEN
LONDON PARIS NEW YORK

Diamond Marine Line

Anne Jensen — Where marine science meets timeless elegance. Marine Alchemy for Timeless Skin

Harnessing the extraordinary power of the ocean, our advanced skincare formulas feature a potent blend of **marine botanical algae** — including **Spirulina, Mastocarpus red seaweed, and brown seaweed**. These nutrient-dense microalgae are rich in **proteins, vitamins A through E and K, essential minerals like magnesium and potassium**, and a wealth of trace elements known for their remarkable **anti-aging properties**.

This marine complex works synergistically to:

Boost collagen production for firmer, more youthful-looking skin

Combat dryness and strengthen the skin's moisture barrier

Neutralize free radicals to defend against environmental stressors

Stimulate skin's natural defenses, enhancing resilience and radiance

Infused with **pure marine spring water** sourced from the heart of Brittany, this water is drawn from a **natural underground reservoir** and meticulously desalinated to preserve its rare mineral composition. Developed in partnership with **Biotechnologie Marine de Soliance**, this unique water helps **maintain optimal hydration**, preventing moisture loss while delivering the revitalizing benefits of deep-sea trace elements.

The result is **luxuriously balanced, visibly rejuvenated skin** — nourished by the purity and power of the sea.

Diamond Aqua Marine Serum

Pure Luxury. Visible Results.

In just one step, this **precious marine serum** delivers a transformative infusion of **active marine ingredients** that work in harmony to **hydrate, illuminate, and sublimate the complexion**.

The perfect balance of **luxury and efficiency** leaves the skin visibly refreshed, radiant, and comforted.

With its **fine, lightweight texture**, the serum melts seamlessly into the skin, providing immediate hydration and comfort. Clinical studies show it increases skin hydration by **up to 30%**, restoring a youthful, healthy glow.

The Result

Skin is left **deeply hydrated, silky, and luminous**, with renewed suppleness and radiance.

Formulated with **98.22% natural-origin ingredients**, this rich cream-serum is a luxurious fusion of **botanical oils and marine actives** that delivers deep hydration and visible renewal.

At its heart lies a nourishing blend of:

Babassu Oil – lightweight yet deeply moisturizing, leaving the skin soft and supple

Grape & Grape Seed Oils – rich in natural antioxidants to protect against free radicals while restoring vitality.

Phytosqualane – biomimetic and skin-compatible, it reinforces the skin barrier and locks in moisture. Enhanced with **Aqua Marine Extracts**, the formula helps encourage the skin's natural renewal processes for a complexion that looks **refreshed, radiant, and full of life**

How to Use

For optimal results:

Begin with **Diamond Aqua Marine Serum** and allow 2 seconds for absorption.

Follow with **Diamond Marine Day Cream** to lock in hydration and enhance results.

Diamond Soothing Serum

Heal. Hydrate. Renew.

Rich in healing and deeply moisturizing actives, this serum is a gentle yet powerful treatment for all skin types, including the most sensitive. Designed as both a day and night care essential, it delivers lasting hydration, soothes irritation, and restores vitality.

Key Active Ingredients

Marine Collagen

Renowned for its exceptional moisturizing and film-forming properties, marine collagen binds water to the skin, boosting cellular hydration and improving elasticity.

Aloe Vera

Celebrated for its healing and restructuring benefits, Aloe Vera calms irritation, stimulates cell renewal, and helps repair the epidermis for smoother, healthier skin.

The Result

Soothed and regenerated, the skin regains its softness, suppleness, and elasticity, while appearing fresher and more radiant day after day.

How to Use

Apply a few drops to cleansed skin in the morning and evening. Warm the serum between your palms and smooth from the center of the face outward, finishing on the neck and décolleté. Follow with your preferred Anne Jensen moisturizer for optimal results.

Diamond Marine Day Serum Cream

Heal. Hydrate. Renew.

The ultimate skincare powerhouse that will leave your skin feeling rejuvenated and refreshed.

Ritual.

Diamond Aqua Marine Serum is used as a pre-treatment for Diamond Marine Day serum Cream.

Result.

Soothed and regenerated, the skin regains its softness, suppleness, and elasticity, while appearing fresher and more radiant day after day

Infused with pure marine spring water sourced from the heart of Brittany, this water is drawn from a natural underground reservoir and meticulously desalinated to preserve its rare mineral composition. Developed in partnership with Biotechnologie Marine de Soliance, this unique water helps maintain optimal hydration, preventing moisture loss while delivering the revitalizing benefits of deep-sea trace elements.

Diamond Hydra Serum

Heal. Hydrate. Renew.

This serum with a fresh texture quickly absorbed will instantly recharge the skin with water. To do this, sodium hyaluronate, an active ingredient that boosts aquaporins and a moisturizing tamarind extract are at work at the heart of its formul

How to Use

Apply a few drops to cleansed skin in the morning and evening. Warm the serum between your palms and smooth from the center of the face outward, finishing on the neck and décolleté.

Follow with your preferred Anne Jensen **Diamond Repair Cream** for optimal results.

Diamond Hydra Repair Cream

Heal. Hydrate. Renew.

This moisturizing cream with hyaluronic acid, is a concentrate of natural active ingredients to stimulate collagen production. Its tested moisturizing effectiveness, make it an ideal repairing care for your skin. Brown seaweed extract, hyaluronic acid, marine spring water.

Apply a few drops to cleansed skin in the morning and evening. Warm the serum between your palms and smooth from the center of the face outward, finishing on the neck and décolleté.

Diamond Hydra Repair Gel Mask

Heal. Hydrate. Renew.

Hydration is essential for a beautiful skin. The active ingredients in this mask have been carefully selected for their properties that meet this fundamental need of the skin.

It combines an extract of the red seaweed *Jania rubens*, rich in plant taurine, to boost skin energy, and a carrageenan (polysaccharide extracted from red algae) with moisturizing and protective properties.

How to Use

Apply a fairly thick layer once or twice a week to the entire face and neck, avoiding the eye contour area. Leave on for 15 minutes, then remove excess with lukewarm water

The Result

A rested, radiant gaze with skin that feels firmer, smoother, and revitalized.

Diamond Cleansing Oil

Cleanse and soothe the skin

Diamond Cleansing Oil Mini Edition, the perfect makeup remover oil for on-the-go cleansing. Formulated with linseed oil, known for its nourishing properties and rich in essential skin elements, this oil offers an immediate cocooning effect for optimum comfort.

As you cleanse, the Diamond Cleansing Oil works to not only remove makeup and impurities, but also leaves the skin feeling soft and luminous

How to Use

For Face Makeup Removal

Apply directly with your fingertips to dry skin. Massage gently in circular motions for a few seconds until the oil transforms into a melting milk. Add a splash of water to emulsify into a silky milk, then rinse thoroughly.

For Eye Makeup Removal

Moisten a cotton pad and apply a small amount of gel. Place gently over the eye area and massage in soft circular motions. Repeat on the other eye, then rinse with a damp cotton pad

The Result

A beautifully fresh, clean complexion that feels nourished, supple, and luminous — cleansing has never felt so indulgent.

Diamond Cleansing Gel

Cleanse and soothe the skin

The ultimate for a spa-like experience As you massage the balm onto the skin, it transforms from a gel to an oil, effortlessly breaking down and removing makeup, sunscreen, and impurities. This innovative balm emulsifies into a milky texture upon contact with water, leaving your skin feeling cleansed, hydrated, and refreshed. Infused with botanicals, this balm adds a touch of glamour to your skincare routine while offering gentle and effective cleansing.

DIAMOND
JAPANESE RICE
SERUM

ANNE JENSEN
LONDON PARIS NEW YORK

Diamond Japanese Skincare

Eastern Rituals. Timeless Radiance.

Inspired by the ancient wisdom of Eastern mysticism and the healing power of exotic botanicals, Anne Jensen brings you a modern interpretation of Japanese skincare — where purity, balance, and beauty converge.

Rooted in centuries of tradition, this formulation features a curated blend of revered Eastern ingredients, including:

Rice – known for its brightening and soothing properties

Jojoba & Almond Oils – to deeply nourish and restore suppleness

White Mulberry Tea – rich in antioxidants, helps protect against environmental stressors.

This elegant cream acts like a **nourishing veil**, wrapping the skin in a **soft, protective film** that hydrates, soothes, and enhances natural radiance. It works to **reduce imperfections, refine texture, and defend against external aggressors**, all while leaving the skin beautifully balanced and luminous. A sensory journey rooted in ritual. A complexion reborn in glow.

Diamond Japanese Cleansing Gel

From Gel, to Oil, to Silk.

Experience the ultimate cleansing ritual with this innovative formula that evolves with every touch. Initially a refreshing **gel**, it melts into a **silky oil** as you massage, dissolving impurities, excess sebum, and even the most stubborn makeup. With water, it transforms once more into a delicate **milky emulsion**, rinsing away effortlessly to reveal skin that feels soft, purified, and radiant. Blending the **purity of a gel** with the **comfort of a cream**, this formula is enriched with **nourishing actives** to hydrate, soften, and protect, leaving the complexion perfectly balanced and glowing.

How to Use

For Face Makeup Removal

Apply directly with your fingertips to **dry skin**. Massage gently in circular motions for a few seconds until the gel transforms into a **melting oil**. Add a splash of water to emulsify into a **silky milk**, then rinse thoroughly.

For Eye Makeup Removal

Moisten a cotton pad and apply a small amount of gel. Place gently over the eye area and massage in soft circular motions. Repeat on the other eye, then rinse with a damp cotton pad

The Result

A beautifully fresh, clean complexion that feels **nourished, supple, and luminous** — cleansing has never felt so indulgent.

Diamond Japanese Rice Cream

Smooth. Protect. Illuminate

Delicately perfumed and luxuriously smooth, this cream is enriched with **rice powder** — a treasured beauty secret from Asia. Known for its ability to **reduce imperfections** and **defend against external aggressors**, rice creates a natural protective veil that leaves the skin feeling soft, supple, and radiant.

With every application, the cream envelopes the skin in **nourishing comfort**, restoring its glow and resilience while maintaining long-lasting hydration.

How to Use

Apply **1–2 pumps** morning and evening.

Massage gently into the **face, neck, and décolleté** until fully absorbed.

The Result

Skin that feels refreshed, hydrated, and visibly radiant with a supple, silky touch.

Diamond Japanese Rice Serum

Protect. Nourish. Illuminate.

With its silky, fluid texture and delicate **vanilla fragrance**, this serum is a daily indulgence for the skin. At its heart lies rice — a time-honored beauty secret of Asia — renowned for its ability to **protect against environmental stressors**, restore softness, and bring back the skin's natural radiance.

Key Active Ingredients

Rice Milk

Often called “white velvet,” rice milk is a concentrated blend of **starch and hydrolyzed rice proteins**. Of pure plant origin, it nourishes, fortifies, and envelops the skin in a **protective, softening veil**.

Glycerin

A natural humectant with powerful **emollient properties**, glycerin draws in moisture and strengthens the skin barrier, leaving the complexion smooth, supple, and shielded against dryness.

The Result

This serum leaves the skin feeling **silky, soothed, and radiant** with a luminous finish. Over time, the complexion looks healthier, more even, and naturally glowing.

Diamond Lifting Effect Line

Smart Science. Youthful Skin.

Introducing a cutting-edge skincare range by **Anne Jensen Beauty**, crafted with a **powerful cocktail of clinically active ingredients** designed to target multiple signs of aging with intelligent precision. This range combines the best of **cosmetic science and biomimetic technology**, featuring a synergy of **advanced peptides, antioxidant vitamins, and deeply moisturizing and revitalizing actives** — all working together to reveal smoother, firmer, and more radiant skin.

Key Actives:

Fucogel® is a moisturizing active ingredient. It forms a film on the skin surface to maintain its hydration (In vivo test). In addition to stimulating and toning the skin,

Fucogel® provides comfort and softness to cosmetic formulas

L-Carnosine (Biomimetic Peptide)

Naturally found in the human body, L-Carnosine enhances the skin's natural defense system. With powerful **antioxidant and anti-glycation** properties, it: **Protects against photo-aging** from UV, infrared, and visible light (proven in vivo)

Prevents glycation, a process that damages collagen and elastin, leading to sagging and wrinkles (proven in vitro)

Together, these actives create a **multi-dimensional defense against aging**, preserving elasticity, firmness, and skin vitality.

Tailored by Skin Type. Refined by Age.

That's why our formulas are **categorized by skin type and age** — providing precision care that respects your skin's unique structure and delivers results you can see and feel.

Diamond Youth Lifting Effect Serum
Smooth. Refine. Redefine.

Anne Jensen —
Intelligent skincare for timeless radiance.

As skin evolves, so do its needs. This line is designed to **adapt with your skin through every stage**, particularly after age 40. Even if your skin was dry or normal before, the emergence of **fine lines and loss of firmness** demands targeted care.

DIAMOND
LIFTING EFFECT
SERUM

ANNE JENSEN
LONDON PARIS NEW YORK

Diamond Youth Lifting Effect Serum

Smooth. Refine. Redefine.

This gold face serum is the ideal care to restore the skin's youthful radiance. The golden leaves slivers incorporated into the heart of this care provide a touch of glamour and a sparkling visual effect. This ultra-shiny effect combines with the various active ingredients in this formula to reduce the first signs of time and sublimate the radiance of the complexion.

As a 99.46% sugar tensor from natural origin, Osilift® is a purified fraction of polysaccharides from oats. Very high molecular weight, this source of complex sugars, adheres to the skin surface in a lifting, continuous and cohesive film that helps firm and tone the skin (In vitro tests). Glycosann sol is an oligosaccharide with a low molecular weight that penetrates the superficial layer of the skin. It ensures the proper functioning of the skin tissue and maintains the skin's biodynamic properties. A genuine anti-ageing active ingredient, it reduces the first signs of time and helps the skin regain its youthfulness.

How to Use

Apply **morning and evening** on cleansed skin.

Place a small amount on the fingertips and massage **gently in circular motions** over the face, focusing on areas prone to fine lines and expression wrinkles (such as the forehead, around the eyes, and mouth).

Follow with your favorite **Anne Jensen moisturizer**

The Result

Skin appears **smoother, firmer, and more youthful**, with fine lines visibly softened and expression wrinkles minimized over time.

Diamond Lifting Effect Cream

Cocoon. Smooth. Restore.

With its rich, velvety texture, this cream envelops the skin in a **melting cocoon of comfort**, graduallye ingredients. Designed to **blur the first signs of aging**, it smooths fine lines, restores suppleness, and brings back the skin's youthful radiance. With each application, the complexion feels **full of life, soft, and luminous**.

The Ritual

For best results, apply to the **cheeks, forehead, and chin**. Using the fingertips, smooth the product outward in gentle motions:

From the nose toward the ears.

From the T-zone across the forehead toward the temples.

From the mouth along the jawline.

From the chin outward toward the ears and down to the collarbone.

Finish by applying a small amount to the **neck and décolleté**, massaging from the collarbone upward toward the chin and jawline with soft, sweeping movements.

The Result

This indulgent massage not only enhances absorption but also **stimulates circulation**, leaving the skin **softer, more supple, and glowing with vitality**.

Diamond Eye Contour Cream

Smooth. Soothe. Illuminate.

This delicate eye contour cream is formulated with **targeted anti-aging actives** to combat the first visible signs of time. Its silky texture melts gently into the skin, delivering **hydration, softness, and comfort** to the fragile eye area.

With each application, the look of fine lines is softened, the skin feels smoother, and the eyes appear awakened, refreshed, and luminous.

How to Use

Apply a **small amount** to the under-eye area, gently tapping with the fingertips until fully absorbed.

Use **morning and evening** for best results.

(Avoid direct contact with the eyes.)

The Result

A rested, radiant gaze with skin that feels **firmer, smoother, and revitalized**.

Diamond Lifting Eye Contour Serum

Smooth. Soothe. Illuminate.

This serum has been specially developed to care for the delicate skin around the eyes. The core of the formula consists of a blend of valuable active ingredients from caviar and gold leaf, as well as a powerful cocktail of anti-aging, firming, and moisturizing active ingredients. The skin is given a subtle glow and new energy, and the eyes shine with youthfulness.

Key Active Ingredients

Caviar Extract

A rich infusion of retinol, amino acids, linoleic acid, and vitamins A, B, D, and E. Caviar is revered for its luxurious anti-aging properties that **revitalize and nourish the skin**, promoting radiance and elasticity

Argireline

Nicknamed *Botox in a Bottle*, this advanced peptide complex reduces the appearance of expression lines by gently minimizing muscle contraction—**no needles, no downtime**. A noninvasive approach to smoothing fine lines and restoring youthful vitality.

How to Use

Apply a **small amount** to the under-eye area, gently tapping with the fingertips until fully absorbed. Use **morning and evening** for best results.
(*Avoid direct contact with the eyes.*)

The Result

A rested, radiant gaze with skin that feels **firmer, smoother, and revitalized**.

Diamond lifting effect Coccon Mask

Smooth. Soothe. Illuminate.

Ideal for skin in need of comfort and vitality, this cream mask wraps the face in its cocooning texture to provide all its benefits. Its formula is a perfect blend of organic rosehip, borage, and wheat germ oils with proven nourishing properties. Soothing and protective golden seaweed extract gives skin the care it deserves

Key Active Ingredients

Golden Seaweed this active ingredient is inspired by the seaweed's ability to adapt to a stressful marine environment. It acts as a shield that soothes skin immediately and over the medium term (in vivo test), moisturizes and reduces dehydration wrinkles (in vivo test). It also improves the cutaneous barrier, reinforces the skin's structure, and protects it against stress induced by UV and blue light (in vitro test). It improves skin quality, making it softer and firmer,

How to Use

Apply a fairly thick layer once or twice a week to the entire face and neck, avoiding the eye contour area. Leave on for 15 minutes, then remove excess with lukewarm water

The Result

A rested, radiant gaze with skin that feels **firmer, smoother, and revitalized**.

Diamond Anti Pollution Cleansing Gel

Cleanse and soothe the skin

Diamond anti pollution Edition, the perfect makeup remover oil for on-the-go cleansing. Formulated with linseed oil, known for its nourishing properties and rich in essential skin elements, this oil offers an immediate cocooning effect for optimum comfort

Key Active Ingredients

White willow bark extract, concentrated in salicylic acid, is ideal for use in a purifying treatment. Salicylic acid, naturally present in willow bark, helps stimulate skin renewal (in vivo test) and gently remove dead cells and impurities from the skin's surface.

This active ingredient extracted from the **brown seaweed Laminaria Digitata** is a mineral concentrate rich in trace elements that stimulates and energizes the skin.

How to Use

For Face Makeup Removal

Apply directly with your fingertips to **dry skin**. Massage gently in circular motions for a few seconds until the gel transforms into a **melting oil**. Add a splash of water to emulsify into a silky milk, then rinse thoroughly.

The Result

A beautifully fresh, clean complexion that feels **nourished, supple, and luminous** — cleansing has never felt so indulgent.

Diamond Radiance Youth Elixir +55 skin

A luxurious face serum designed to combat the signs of aging. Enriched with anti-age sea fennel, A halophyte plant known for its resilience to extreme living conditions, this elixir works to improve the luminosity and evenness of the skin, resulting in a radiant and youthful complexion.

In a clinical test, the molecules extracted from sea fennel were shown to enhance the skin's natural radiance and reinforce its protective barrier.

Key Active Ingredients

ANNE JENSEN
LONDON PARIS NEW YORK

The Body Collection

At Anne Jensen Beauty, we believe beauty is not limited to the face — it's a **whole-body experience**. Our body collection brings the same level of advanced formulation, European standards, and sensorial luxury to body care, creating rituals that nourish, protect, and transform.

Diamond Nutri Body Oil

Nourish. Illuminate. Indulge.

This **ethereal, sensory body oil** envelops the skin in a veil of satin softness, leaving behind a luminous, non-greasy finish. Rich in nourishing oils yet feather-light in texture, it glides beautifully across the skin, making it the perfect indulgence for both daily hydration and massage rituals.

Key Active Oils & Benefits

Hazelnut Oil

Cold-pressed for purity, hazelnut oil is celebrated as a true *dry oil*. With its silky touch and rapid absorption, it penetrates effortlessly to soften and comfort the skin without leaving an oily film. Its elegant texture makes it ideal for massage or daily body care.

Carrot Oil Macerate

Created by macerating carrot concentrate in natural plant oil, this extract is rich in **carotene and provitamin A**. It nourishes deeply while enhancing a natural, healthy glow, helping the skin maintain a light, even tone.

Apricot Kernel Oil

Cold-pressed from the seeds of the apricot tree, this golden oil is packed with **oleic acid, vitamin A, and vitamin E**. With its fluid, lightweight texture, it absorbs quickly to hydrate and smooth, restoring suppleness and radiance.

The Result

With each application, skin is left **velvety-soft, supple, and radiant**, subtly enhanced with a healthy, luminous glow. The **silken texture and nourishing botanicals** make this oil a true beauty ally for skin that looks as good as it feels.

Diamond Body Contour Oil

Indulge in the ultimate luxury of our Diamond Body Contour Elixir, a powerful slimming concentrate that offers a synergy of plant and marine extracts renowned for their benefits on the silhouette. Infused with the brilliance of diamond powder, this decadent body oil glides onto the skin to help improve firmness and elasticity.

Key Active Oils & Benefits

Caffeine

A recognized leader in slimming care, caffeine helps **stimulate microcirculation** and promote the breakdown of fat cells, improving skin's texture and tone.

Guarana Extract

Native to the Amazon, guarana is rich in **caffeine, theobromine, vitamins, and trace elements**. It is renowned for its **stimulating and energizing properties**, making it a powerful ally in body-sculpting treatments.

The Result

With each application, skin is left **velvety-soft, supple, and radiant**, subtly enhanced with a healthy, luminous glow. The **silken texture and nourishing botanicals** make this oil a true beauty ally for skin that looks as good as it feels.

Diamond Body Peel Mask

Revive. Smooth. Escape.

A true invitation to escape, this luxurious scrub combines salts sourced from around the world with a powerful synergy of six essential oils to gently exfoliate, purify, and transform the skin. Its fresh, tonic fragrance envelops the senses, creating a relaxing, spa-like experience that leaves the body refreshed and comforted.

Key Ingredients & Benefits

World Salts – Rich in minerals, they delicately buff away dead cells and impurities, leaving skin smooth and renewed.

Lavandin Essential Oil – Calming and soothing, helps ease tension.

Petitgrain Essential Oil – Uplifts and revitalizes the senses.

Cypress Essential Oil – Toning and refreshing for the skin.

Geranium Essential Oil – Balances and promotes radiance.

Rosemary Essential Oil – Invigorating and purifying.

Plant Glycerin – Hydrates and softens, preventing dryness.

How to Use

Apply to the entire body on dry skin. Massage in circular motions, paying special attention to rougher areas such as elbows, knees, and heels. Rinse thoroughly with warm water to reveal skin that is smooth, supple, and radiant.

The Result

Skin is left deeply cleansed, silky, and revitalized, while the aromatic blend of essential oils provides a true moment of relaxation and well-being.

Diamond Body Cream

This luxuriously smooth body lotion is crafted with 96% natural-origin ingredients, designed to envelop the skin in lasting hydration, comfort, and radiance. Perfect after a warm shower or bath, it nourishes deeply while helping to protect the skin barrier and support epidermal collagen function for supple, resilient skin.

Key Active Ingredients

Brown Algae Extract

A marine powerhouse that retains water within epidermal cells, ensuring optimal hydration and helping skin maintain a fresh, plump appearance.

Butters & Emollients

Deliver intense, lasting nourishment for maximum comfort, softness, and flexibility of the skin.

Vitamin A

Renowned for its protective and antioxidant properties, vitamin A helps shield the skin from environmental stressors while supporting renewal for a healthier, smoother texture

How to Use

After a hot shower or bath, apply generously to the body. Massage in upward circular motions until fully absorbed, focusing on areas prone to dryness.

The Result

Skin feels hydrated, soft, and supple with improved resilience. With daily use, it is protected from dryness, strengthened, and visibly more radiant.

Diamond Body Milk

Nourish. Revitalize. Cocoon.

Concentrated in sensorial indulgence, this **velvety body treatment** envelops the skin in a creamy, melting texture that glides effortlessly from head to toe. Infused with **nourishing plant oils and shea butter**, it delivers lasting softness, while **laminaria seaweed extract and vitamin E** stimulate and revitalize for skin that feels alive with radiance.

After each application, the body is wrapped in a cocoon of comfort, leaving skin **hydrated, supple, and silky smooth.**

Key Benefits

Deep Nourishment – Shea butter and botanical oils restore moisture and comfort.

Revitalization – Laminaria seaweed extract energizes and stimulates the skin.

Protection & Repair – Vitamin E defends against free radicals while supporting epidermal collagen function.

Luxurious Texture – Creamy and melting, it leaves no heaviness — only softness.

How to Use

Apply generously after a **hot shower or bath** when the skin is most receptive. Massage into the body with light, upward strokes, from the **feet to the décolleté**, focusing on dry or tension-prone areas

The Result

Skin is left **revitalized, nourished, and cocooned** in softness with renewed suppleness and glow.
