FROM THE EDITOR

Dear reader

We are in the time of winter and the long bright days will soon replaced the cold winter days.

In many areas we are in a dark time due to the turbulent state of the world economy.

But fortunately there are bright spots such as winter holidays.

Here at the company Anne Jensen, we will try to find the small bright spots that we know will please all our customers but also new customers who just want to try something new or pamper themselves to get a little more energy for the cold months.

New products will see the light of day in the next few months. In addition, we are incredibly happy and proud to be able to present our new spa facial treatment collection which we believe reflects style, class and luxury.

Beauty we love and we hope that you also will love our new items.

Best regards
